VERSE 1

summer fuels the childhood dreams of nature taken to extremes

all the bright lights / and the big machines

F#min

(E)

Bmin

Dmaj7

A

E

the sticky kiss of candyfloss / in fairgrounds paradise was lost

on the big wheel roll away

G

F# (maj)

VERSE 2

coincide in space and time

fingers burn and bodies shine

holding on (*hold on*)

F#min

(E)

Bmin

Dmaj7

A

E

planets spin and rockets fly / you really thought that you would die

but life goes on

G

F# (maj)

Bmin

D

A

B(maj)

D

A

shoot the stars out

shoot the stars out

B(maj)

E

VERSE 3

waiting for the change to come / that lucky boy oh! / he was the one.....

F#min

(E)

Bmin

Dmaj7

A

E

catching sparks you close your eyes / you've been taken for a ride

left alone you feel sick inside

G

VERSE 4

hold F#m

take your place back in the crowd / you're on your own

your friends are gone

so get off now.....
